SOCIETY OF INDIA**

**3<sup>rd</sup> - 5<sup>th</sup> October 2025**

**Amber Convention Centre (Sayaji Group)  
Indore Bypass, Near Best Price, Indore.**

Dear Esteemed colleagues,

On behalf of the organizing committee of NCP R 2025, it is our proud privilege to welcome you at Indore for this conference scheduled on 4th and 5th October 2025. The pre conference workshop will be held on 3rd October 2025.

Going with the theme *BASICS & BEYOND*, this conference will include a host of international and national experts in the subject who will enlighten us on changing trends in managing children with rheumatological illnesses. This conference aims to update specialists already treating these children and moreover spread awareness and educate the generalist pediatricians with easy and practical methods to diagnose and treat these illnesses.

NCP R s are known for their excellent scientific content and star studded team of faculties. We promise to live up to your expectations in terms of academic content and the well known hospitality of Malwa region of central India.

Indore is known for its tradition of organizing successful conferences of every scale. Indore stands proud as the cleanest city on the Indian map for 7 years in a row.

Situated in west Madhya Pradesh on the southern edge of Malwa plateau along the banks of two holy rivers namely Narmada and Kshipra, the city was the seat of erstwhile Holkar dynasty and ruled by the sagacious Ahilyabai Holkar.

Indore is a city of great religious importance and an incredible cultural mix. Of the 12 Jyotirlingas, two famous ones namely Mahankal in Ujjain and Omkareshwar near Narmada river accredit Indore with its religious importance. This city is also a food lovers paradise. The street food of the city is extremely popular across the country. The world famous food hangouts such as Chappan Dukaan and Sarafa bazaar offer a variety of delicacies of which Sarafa is a jewellery market during the day time and a street food haven during the night.

So brace yourselves to experience erudite academics with warm hospitality and culinary delights of Indore.

With Warm Regards
